MAP Lab Bottled Cocktails

MAP Lab is at the heart of everything we do. It is our mixology blueprint where we experiment, create, refined, and design our cocktails. From here, we carefully select those cocktails that go on to be bottled and sold under the MAP Lab brand.

These cocktails are distinctive, rich and elegant. All based on classic recipes but with our twist. They have all been made using premium spirits, bitters and liqueurs.

Whisky of the Month:

Kavalan Single Malt Whisky

Kavalan Distillery has been pioneering the art of single malt whisky in Yilan County, Taiwan since 2005. Kavalan sources the mineral-rich meltwaters of Snow Mountain and is aged in a unique combination of intense heat and humidity together with sea and mountain breezes. All this combines to create the quality, smoothness, and fruity character for which Kavalan is known.

Ocean Karuizawa Distillery

The distillery was founded in 1956 and is today viewed as having produced some of the very best Japanese whiskeys ever made. Despite of its popularity the distillery was closed in 2001. Drinks giant Kirin stepped in a few years late and Karuizawa was back up and running in 2011. However, its doors were closed for good in 2016. Stock has now started to dry up as no spirit has been produced since 2001 and there are only a few casks left.
