An obsession with quality has been the hallmark of The Macallan since its founding by Alexander Reid on a plateau above the river Spey in north-east Scotland.

The distillery is surrounded by a 485 acre estate with Easter Elchies House at its heart

The Macallan was one of the first distillers in Scotland to be legally licensed.

Since then we have built a reputation as one of the world's leading single malt whiskies.

The creation of The Macallan draws on the vital contributing influences of Spain, North America and Scotland - and of their respective natural raw materials, combined with traditional methods and craftsmanship.

#### Charcoal Cheddar

### Macallan 18 Double Cask

This is the perfect pairing for the flamboyant Macallan 18yo. A cheddar full of character with Jalapeños and fire roasted red peppers. The orange and spicy notes of this beautiful release aged in American oak and European Oloroso Sherry calls for an unusual yet stunning flavour combination.
